

Khadijah isn't the woman she used to be. She's still got beauty, brains, and a passion for fashion - but since accepting Islam, her life has undoubtedly changed. In *Khadijahs Life in Motion*, Khadijah has to face challenges that will shatter her perception of the world she thought she knew. Dark secrets lie ahead when she thinks she's overcome even her biggest hurdles. With Allah as her guide and prayer as her weapon, she quickly finds out that losing what she once had only makes room for that which is bigger and better than she ever dreamed of. Journey with her down a road filled with love, hate, growth, loss, passion, betrayal, reinvention, and happiness; find out why her life is truly in motion. *Real Muslimah New Jersey* began as a string of Face Book tales. It tells an Urban tale that captivates the reader and gives an inside look at a woman's journey to and through Islam. Its popularity grew quickly and fans kept demanding more. *Khadijahs Life in Motion* is the first book in a three book series. It's fun, inspiring and full of beneficial reminders. With its urban feel, this book - and the ones to follow - is suitable for everyone - not just those of the Islamic Faith.
