

An unforgettable man. Irresistible temptation. One last chance to get it right. Magazine layout artist Kira Weston knows all about frustration. She wasted three years loving Ethan Roarke, a man who played her body like a fine instrument-but wouldn't let her anywhere near his heart. She doesn't believe for a second that Ethan needs her to pretend they've reunited in order to deflect his boss's carnal advances. Once Kira realizes he thinks she's dating a gigolo, however, the urge to teach him a lesson is more than she can resist. She only meant to torment him with seduction without fruition, but suddenly revenge is the last thing on her mind. This could be the one chance she long dreamed of when they were together-to finally break down Ethan's emotional walls. Or get over him once and for all Warning: Includes sensuous torture of a guy who seriously has it coming, or would like to!
