

Bob Knight was a head coach in college basketball at twenty-four, coach of an unbeaten NCAA champion at thirty-five, coach of the last amateur team to win the Olympic mens basketball gold medal at forty-three, and out of a job at not quite sixty. His shock, disappointment and anger over Indiana University's manner of firing a twenty-nine-year employee comes through clearly in his account of his last turbulent year there. And it is his account. Few people in sports have had more books written about them. This is the first by Bob Knight - one of the most literate, candid, quoted and outspoken men in American public life telling in this first-person account of his full, rich life. Much of that life has been in basketball, most of it because of basketball, but it also has brought him forward as a coach who has proved academic responsibility and production of championship college athletic teams not only can co-exist but should. His excitement as things start anew for him at Texas Tech is matched here by his characteristic frankness and remarkable recollection of a life he clearly has enjoyed. You'll see why, as he tells story after story - some delightful, some hilarious, some poignant, none of them dull. Knight, as a sophomore front-line reserve on the Ohio State team that won the NCAA championship, became the first man to play on and coach a championship team when he led his 1975-76 Indiana team to a 32-0 season that was capped by an 86-68 victory over Michigan in the NCAA championship game at Philadelphia. His Indiana teams in 1980-81 and 1986-87 also won NCAA titles, making him one of just four coaches in history to win as many as three championships. Twenty-six years later, the 1975-76 Indiana team still stands as the last unbeaten team in major- college mens basketball. Knight's coaching career includes six seasons at Army, where his teams - during the years when the Vietnam War made recruiting for West Point difficult - won 102 games and lost 50. He is one of five coaches who have won seven hundred games, and the only coach whose teams have won championships in the NCAA tournament, the National Invitation Tournament, the Olympic Games and the Pan American Games. During all that he has been at the heart of more controversies while running a winning and squeaky-clean program than any coach of any sport any time or anywhere. His excitement as things start anew for him is matched here by his candor and remarkable recollection of a life he clearly has enjoyed. You'll see why, with story after story - some delightful, some hilarious, some poignant, none of them dull: the story of Bob Knight's life.
