

Kinbaku-bi--the beauty of tight binding. Dusty Rose is well versed in the beauty of kinbaku. Trained in Japan a rope artist, there is nothing more she enjoys than the feel of the silk rope running through her fingers as she binds her willing partners in the intricate patterns of her art. Dusty loses herself there, pretending her real life as Cece Robbe doesn't exist. Dr. Killian McInnis has had a rough year, after saving his friend Nathaniels life. He doggedly tried to avoid his problems by going back to the life he thought he could live without: being a Dom. It seems to be the only way to escape the social darling his family expects him to marry. As desperate as their families are to keep Cece and Killian apart, they only succeed in driving them together. Unrequited desire hangs in the air between them, and they cling to each other desperately trying to find a way out together. Sometimes, the knots we tie are our own. Kinbaku is a Japanese style of bondage which involves tying up the bottom using simple yet visually intricate patterns. The aesthetic arrangement of ropes and knots on the model's body emphasizes characteristics like sensuality, vulnerability--and strength. \*Part 1 of 2\*
