

Lachlan MacLeod survived an English dungeon. He held his own under torture and brutality. He survived the death of his wife and alienation from his family. He managed to take back his ancestral home and restore his sons inheritance. But the English threat has never truly abated. According to his nephew, invasion is immanent. Tired of being subject to the whims of the English, Lachlan will take control of his own destiny. By any means necessary. Lady Evangeline, daughter of an invading English earl, has been raised to privilege and the expectation of an advantageous foreign marriage. She is as eager to escape her fathers control as Lachlan is eager to kidnap her, though the wilds of the Scottish Highlands could be a tad more welcoming. The secret she holds could have deadly consequences--not only for Lachlan, but for his entire clan, not to mention the proud English lady and her companions. But this is one secret she cannot wait to spill...
