

Chance Mooreland left home at eighteen to join the army. Somewhere out thereâ€”away from the 50-acre patch of land in nowhere Coloradoâ€”was the life he was meant to live and he intended to find it. Eight years later, he returned. A lot of things had changed in his absenceâ€”except for his feelings for the beautiful but untouchable girl next door. Curvy girl Katherine Fordham was the daughter of wealthy rancher Hubert Fordham and had a life that many envied. But what they didnâ€™t know was that Katie had dreams of her own. She wanted to be more than the pampered only child of the richest family in the county. And she had a plan. But first, sheâ€™d have to convince the sexy cowboy next door to take one last chance.
