Summary: Mainly set in the s when Hollywood seemed to rule America - and the world. And when one superstar, aka Rudolph Valentino. As Rudolph Valentino fights for his life, barricades keep the swarming fans at bay . Adored by millions of women, but loved by only one! Will she be able to reach. At first, I'll admit, it was difficult to get to grips with '*Last Dance With Valentino*': it seemed a bit clunky, moving between time frames quite. As Rudolph Valentino lay on his deathbed calling for an unknown lover, the world wondered who she was, and only one woman knew the truth. Leaving. *Last Dance with Valentino*. A bittersweet love story set in the s that's historically accurate in both time and place and beautifully crafted in terms both of its.
