

Once upon a time, childhood enemies grew up and fell in love ... Smart and sassy lawyer, Lily Adler, has been waging an epic battle with handsome and cocky Assistant District Attorney, Adam Roth since the glitter incident in preschool when they were four. Their friends marriage, a mysterious neighbor, a federal trial, and some bossy big sisters guarantee theyll be spending plenty of time together. When they try to play nicely, will they discover that their reaction to each other is even more volatile? Can they manage to date without anyone sustaining injury? Can they avoid the mobsters trying to kill them without killing each other first? Find out in Legal Briefs. NOTICE: This book contains explicit descriptions of sexual situations and adult language.
