

Leonardo Decaprico has been nominated more times than he can count for the yearly award of most handsome buckaroo. However, despite the fact that he is one of the greatest actors of our time, he has still never won. Hopefully, this year will be different. After a well-received performance in *The Reverass*, a movie about walking through the snow after a bigfoot attack, Leo is full of both anxiety and hope. As heâ€™s watching the awards get handed out, though, Leonardo Decaprico begins to notice that his desire for these handsome golden statues is more than just professional, itâ€™s deeply erotic. Soon enough, the actor finds himself getting pounded on stage by his handsome award, making this a night that The Academy of Handsome Buckaroos is not likely to forget. This erotic tale is 4,500 words of sizzling human on gay prestigious award action, including anal, blowjobs, rough sex, and living statue love.
