

Grandmaster. - Ma, Grand Master of the Order of the Golden Pen in the magic Atlantean Oracle, talks in this lesson to those adepts who have, through the help of the first lesson, developed sufficient skills to enter the next step of their education now. The second lesson includes exercises with which the adept evolves to a vessel, which is capable of absorbing the magic. At the same time, the adept will recognize that he accesses knowledge, insight and inspiration like the former Master of the Order, through exercise. This will enable them to exceptional achievements in art, science and industry and commerce.
