

One breathtakingly hot, passion-filled night ignites a fire in his soul. Everything in his world should be nothing short of perfection—but he is Rainer Lawson. His wild evening with Emily is the Realm’s front-page story. Could he have lost the respect of the man that has been like a father to him? Could his family’s hard-earned fortune really dissolve before his very eyes? Evil rapidly cinches its chokehold, and everything his father fought and died for threatens to implode. Rainer attempts to protect those that he loves and satisfy the fiery passions between he and Emily, but everything in his world is spinning wildly out of control. His desire to prove himself could very well be his undoing. Sometimes the best of intentions are not enough, but perhaps it is the trials by fire that make the man. Steel sharpens steel, and passion burns white hot in “Lessons Learned.”
