

This is Lonely Planets fifth edition to China, having been completely revised and updated to make China more accessible for the independent traveller. It includes: Hong Kong and Macau; suggested itineraries for short or extended visits; a full-colour country map; detailed information on getting around by public transport; glossary of place names in English with Chinese script; extensive historical and cultural information; over 200 updated maps; and 36 pages colour photos. The guide contains all the features of the Travel survival kits with information needed for a visit on any budget: getting there and around; history and culture; accommodation; local cuisine; places and times to visit; prices to pay; flora and fauna; language tips; health and safety advice and indispensable maps.

Fairy Island: An Enchanted Tour of the Homes of the Little Folk, Bazi Kadinlar, Love and the Erotic in Art (A Guide to Imagery), Jobs creed: or, confession of faith.
