

More projects from loom knitting maven, Isela Phelps, that address the loom knitters constant demand for new and varied designs?this time in a book solely devoted to knitting for babies and toddlers. The delightful designs in the book are fun, easy, and quick to make on a loom. In a small amount of time Isela will have you whipping up a fabulous collection of baby garments, toys, and accessories for every child or grandchild in your family or neighborhood!As more crafters discover loom knitting they appreciate the clear instructions, diagrams, and photos that are a trademark of this easy-to-follow loom knitting series, and are continued in this latest collection of adorable projects. With an illustrated introductory chapter that clearly explains and demonstrates the different techniques required for successful looming, the over fifty projects can be made on all types of looms, including the newer ones just coming on the market. Packed with helpful hints, tips, designer know-how, and lovely knitted items, this is an outstanding addition to all loom knitters libraries?and super great for beginners as the projects are smaller and very manageable.
