

After a tragic evening car accident leaves a small boy dead, Ed Montague begins a steady descent into guilt-ridden madness. As the shadows of darkness close in around him, Ed starts wondering whether its his imagination gone awry or the curse of an old woman thats come home to haunt him. He quickly learns that whats waiting for you in the shadows can be worse than death, itself. Lost in the Shadows leads off a collection of four short stories of horror, suspense and terror, where what appears to be reality is often just an illusion. Truth - and the danger that accompanies it - lurks behind closed doors and in the darkest corners of our minds.
