

****This book is intended for a mature reading audience and isn't suitable for readers under the age of 17.**** In love with a man on the brink of greatness, Dee has her life figured out. The love they share is comparable only to the love they feel when they find out Dee is pregnant. Josh and Dee welcome their future together with eagerness as they plan a wedding, baby, and the upcoming tour for Josh's band Wasted Circle. Big things are finally happening. During Wasted Circle's first big show, tragedy strikes leaving Dee alone. The life she and Josh planned for ends up being nothing but desolate promises. Unable to watch his best friend's girlfriend drown under her own despair any longer, Adam steps in to help Dee cope with her loss and the upcoming birth of her baby. Adam is patient, kind and unrelenting. He stands by her side, never faltering despite his growing desire to be more than Dee's supportive shoulder and the idea that he is betraying Josh. He refuses to give up on Dee and remains loyally by her side even when she admits herself into a psychiatric ward and he is left to father Josh and Dee's baby. But even sweet and sturdy Adam has his limits.
