A Civil rights through a new set of eyes. The heart cares not what society forbids. Lily nurtures a secret love for a flawless man--the one who is her soul mate. Donovan is gorgeous, charismatic, and delights in all of Lily's talents and quirks. Their innate knowledge of each other is almost telepathic. Together they interlock like fine threads creating luxurious silk. But society dictates this picture-perfect adoration is the ghastliest of all possibilities. As Lily embarks on a quest for the romance the heavens intended, her suitor turns reluctant. Desperate to uncover why Dr. Jekyll and Mr. Hiding decayed from a tender-hearted gentleman into a ferociously self-serving, cocky bastard, Lily is prepared for battle when it comes to the salvation of her soul mate. However, Donovan traps Lily in a mental game of chess, leaving her to question his sanity. When Lily's revelations about Donovan's destructive alter ego lead to an inconceivable truth, can she help Donovan survive fate's cruel joke? Impassioned, witty, and deeply moving, Loves Forbidden Flower is filled with stunning controversies that will forever haunt your heart.
