

Lucia Jordan is proud to release a new outstanding collection containing four of her Bestselling Series. **Filthy:** Gabriel remembered how good sheâ€™d felt in his arms when theyâ€™d been lovers. The feel of her wildly beating pulse, her scent, her warmth. Heâ€™d left his mark on her slender throat more than once. Though he smiled and made small talk, his attention remained with the woman heâ€™d never expected to see again. Angie is now a cop, and the bad boy is back to change her life forever. **Curious:** Luke has been Briannaâ€™s co-worker for years. Heâ€™s also, undisputedly, the hottest man in the office, if not the whole country. Thereâ€™s not a single woman in the office who hasnâ€™t noticed the muscles of his broad chest straining against his shirt. But the only woman in the office not to have made a move on Luke is Bri. Sheâ€™s always loved Lukeâ€™s dazzlingly blue eyes and wide smile but itâ€™s his hard body that she fantasizes about at night, alone in her bed. When the office holds a Halloween costume party, Luke decides to ask Bri to go with him. The heat rises when the couple discovers that the only costume left at the store is a sexy domination outfit for a master and his submissive. What starts out as a plan to win the annual Halloween party prize turns into a scandalously sexy tryst. Is it the beginning of an intoxicating relationship or the end of a meaningful friendship? **Rough:** Meg Redwood has always been invisible. Sheâ€™s known for being polite, shy and predictable, and always doing what is expected of her. But all that changes on a weekend trip to a mountain lodge when she pledges to break free from the bonds of routine and find something excitingâ€”something that is all her own. But sheâ€™s not expecting to be swept off her feet, literally, by the lodgeâ€™s seductively enticing ownerâ€”Adrian Wolfe. Adrian is everything Meg is not. Blessed with success, charm and devilish good looks, heâ€™s as impulsive as he is fearless. Sick of always being well behaved and never getting what she wants, Meg decides to give in to the temptations of her desiresâ€”but is she prepared for everything that the dangerous Mr. Wolfe has in store? **Undone:** Gia loves her job working as a paramedic. She loves the adrenalin rush and sense of fulfillment that comes from saving lives, and has sacrificed almost everything else in order to satisfy her addiction to her work. When Gia finds herself at the end of a long shift doing CPR with a stranger, she canâ€™t deny the sparks that fly between them. What follows is the most intensely animalistic and sensual encounter Gia has ever experienced. His raw dominance is an immediate turn-on, and he takes her further than sheâ€™s ever been before. But when she shows up to work the next day, she discovers that her mysterious stranger is none other than David Teller, the millionaire businessman who has just bought the hospital where she works. The shock throws Giaâ€™s whole world into turmoil â€” is this the worst thing that could have happened? Or is it the answer to all her dreams? Only mature readers should download this book.
