

The book is a practical guide to train the awareness and attention control in altered states of consciousness. Not only can the dream affirmations designed to induce prophetic dreams be useful for dreamers's™ practices, they also help to solve specific practical problems. Addressing the unconscious through the dreams facilitates healing and dealing with difficult situations, gives intuitive clues to solve the problems, and enables entering other peoples dreams. The book includes real-life stories and mystical experiences, records of regressions and reports of oneironauts.
