

Shes in over her head and hes in hot waterâ€¦Visiting her friends Ellie and Charlie in Hawaii was supposed to be a much-needed vacation for journalist Justine Simms. But when she learns the notoriously reclusive pro-surfer Chase Ryder is coming out of retirement for a competition, she knows shes found the perfect exclusive to save her career. Of course, then she learns hes the gorgeous, secretly nerdy guy who broke her heart a year ago. Will Davenportâ€”aka Chase Ryderaâ€”doesnt do interviews. He keeps his real name out of the papers and doesnt mix his public life with his private. That is, until the still-heartbroken Justine blackmails him into giving her an exclusive. Seeing Justine, stunningly beautiful as ever, brings back all the feelings he had before. But despite their smoldering attraction, nothing has changed since he had to leave her the first time.
