

Malaysia & Brunei 1:800,000 / 1,100,000 Travel Map, waterproof, GPS-compatible REISE This indexed map of Malaysia with topographic and tourist information is waterproof and tear-resistant, double-sided to provide the best balance between a good scale and a convenient sheet size (size 100 x 70 cm / 39.5 x 27.5 in). It is durable enough to survive time spent in the rucksack, pocket or on a restaurant table in the humid climate of Malaysia. The map shows the Peninsular Malaysia at 1:800,000 on one side, and the country's two provinces on northern Borneo (Sarawak and Sabah) plus Brunei at 1:1,100,000 on reverse. Topography is indicated by altitude colouring with spot heights, names of mountain ranges and peaks, swamps, mangroves and coral reefs in the coastal waters. National parks and other protected areas are highlighted. Road network includes local roads and selected tracks. Intermediate driving distances are shown on main routes. Railway lines and ferry connections are included and local airports or airfields are marked. Also indicated are internal administrative boundaries with names of the provinces. Symbols highlight various places of interest, including mosques and Hindu or Buddhist temples, caves, beaches and diving sites, etc. Latitude and longitude lines are drawn at 12' intervals and the map has an extensive index of localities. A small inset map at 1:15,000,000 shows Malaysia's position within the region. Multilingual legend includes English. High quality German cartography.
