

Don't ever think in life that you can't find true love. As you read this book, you will find out that there is someone out there for everyone. Real love is predestined. When fate finds you, your heart will know it right away. Maliek Montana was a drug lord and a prominent business owner of Club Stallion. He dated the top actresses and models across the country. He was wealthy yet he was still a lonely young man. One day he was sitting in his office working and he glanced up at his television monitor. Who in the world is that? He said to himself. She was so beautiful and innocent looking. He called down to his bartender so that he could find out who this goddess was. Once he met Ms. Jada James, his life took a new turn. When one of his former employees (Charlie Jackson aka CJ) kidnapped her, he knew at that point he was truly in love with her. Maliek would soon find out that CJ had more than one vendetta against him. Relax and enjoy the story of true love, romance and betrayal.
