

From the inspirational leader and author of the international bestsellers *Your Sacred Self* and *Your Erroneous Zones* comes this mind-awakening guidebook for making your desires reality. Wayne Dyer is an extraordinary sensor of what people want and he moves with the ever-changing times. He focused on the heart of the spiritual with *Real Magic* and embraced individual sacredness with *Your Sacred Self*. In this enlightening work, he takes these concepts one step further to focus on meditation and manifesting what you want. Based on ancient principles and spiritual practices, *Manifest Your Destiny* teaches the process of meditation as a way to streamline your thoughts, desires, goals, and, ultimately, your life. Are the decisions and actions in your life controlled by your ego? Are you weighted down with unresolved troubles? Do you feel out of touch with your environment? Do you complain, find fault, or take for granted more often than you appreciate your life? You can overcome these barriers with Dyer's technique, as outlined in his *Nine Spiritual Principles* that will teach you to develop spiritual awareness, reconnect with the world, trust yourself and accept your worth, and let go of demands. Filled with warmth and insight, this invaluable book will help you achieve your goals and take you to a level higher than you've ever dreamed.
