

This exciting two book allegory, Master Potter and The Master Potter and the Mountain of Fire, addresses the current fascination with supernatural phenomena. The secular market is flooded with power encounters, New Age, occultism, angels, demons, witchcraft and sorcery. There is a renewed hunger to move in supernatural power, reflected in the wildly successful Harry Potter series. Master Potter tells the story of Beloved—wounded and left vulnerable by an abused childhood, she is rescued by Master Potter. Whisked away to his rustic home overlooking the quaint village of Comfort Cove, Beloved begins her painful journey of healing. The hardships she endures, the lessons she learns, and the invisible world she discovers will cause you to cheer for each triumphant step she takes and weep with each mistake she makes. Master Potter is a powerful Christian allegory for all ages with the potential to become a Christian classic along the lines of Hannah Hurnard’s Hinds Feet on High Places and John Bunyan’s Pilgrim’s Progress.
