

He knows he shouldn't be doing it. He was only supposed to meet his boyfriend's family for the first time, but the moment Jaden lays eyes on Jesse, he knows he's a goner. Those emerald green eyes, that large brimmed cowboy hat, Jesse has the manners and grace and masculinity Jaden can only dream of. But there is one problem, Jesse is his boyfriend's brother and he is straight. At least, that's what Jaden thinks until the flirting goes from innocent and subtle to outright direct and there's no doubt in his mind, something is going to happen between the two of them and tonight, whether he's ready or not. In this first in a series of short 30-minute gay romance M/M reads, Jamie Lake introduces the world to a glimpse into his fantasies. Some stories are loosely based on true events, others delve into his readers' wildest fantasies. This steamy story is only 14,000 words and does not contain a cliff-hanger. If you're looking for a longer full-length novel, please do not purchase this book.
