

Housewives may be some of the most underappreciated people in the world. They may also be some of the most bored. Lydia, beautiful and sweet, is starting to feel this. Her routine has become so cut and dry that her life feels like a conveyor belt. She looks to naughty literature to find solace until one day an opportunity she cant refuse presents itself in the form or a sexy grocer. Lydia finds that she suddenly feels like a character from one of her favorite books, sexy and confident as she explores this new adventure.
