

Meet Ashton Ford, Psychic Detective ... Private Investigator Ashton Ford has special powers, powers some call supernatural. A former naval intelligence officer, Ford will shatter your ideas of reality and take you into a mystical world of vision, intuition, and psychic truth. A phenomenal psychic, unparalleled lover, and a true Renaissance man, Ashton Ford can see into the future and even into the distant past using his psychic powers to assist clients in crisis. What intrigued Ashton Ford about this sadistically brutal Jane Doe case was that there were no clues except a few satanic symbols. It was the toughest case of Fords career to reach the victims silent mind with his own and combat the evils of a deadly sex cult and the mysterious beings who threatened her life. He finds many of his answers in Ojai, a small community in the mountains not far removed from Los Angeles, a place always thought to be a paradise, that is, until the image of an enchanted place is shattered by paranormal images that defy explanation.
