

This bundle features a collection of my Minecraft short stories and a bonus comic. In the comic... King Arthur decides to put his recent troubles with the scheming Black Knight and the evil witch Morgana behind him and goes hunting deer in the woods with Sir Lancelot. But while there, the king and his knight are separated and Arthur comes across a peasant, named Pip, in the woods. Little does he know that Pip is bewitched and under the spell of Morgana who has given him a deadly poisoned sword and instructed him to slay King Arthur!
