

Eli and Martha don't seem like a match, but solving a mystery may uncover their true feelings. Eli Wittmer has been running the Auction House in Shippshewana for eight years, but his new bookkeeper, Martha Beiler, is proving to be a challenge. When the items from Charity and Jacob Weaver's homestead start going above market value, Eli is at first thrilled and then puzzled. Martha finds a trail of clues that Eli at first refuses to accept, but when his office is broken into and some of those clues are stolen, he knows it's time to take action. Together they must work to solve the mystery before the fall festival ends or Charity and Jacob may be in danger. As the festival ticks down to its final hours, Eli and Martha find they work better as a team. And it could be, that with the mystery and danger, love is also falling in the crisp autumn air.
