

In 1987, a year after Watchmen and Dark Knight Returns turned comics grim and gritty, artist Kevin Maguire proved that comics could still be fun, with the release of the all-new Justice League. His style was the perfect match for the humorous dialogue and character-driven stories, and the unlikely series quickly developed a large following. But the glue that held the series together was Maguire's ability to convey emotion on the page. The Justice League, Captain America, the X-Men, the Defenders... they are all actors on Maguire's stage, and he directs them with the ability of a true Modern Master. This new volume in the Modern Masters series features a career-spanning interview and tons of artwork, including a large gallery section featuring many rare and unpublished sketches and finished pieces.

Catch and Release, Shifters Captive, Contemplation, The Outlaw: Phantom Server Trilogy Series, Book 2, Virginia, Wild & Scenic 2015 Square 12x12 (Multilingual Edition), Practical Skills in Sport and Exercise Science: An Interdisciplinary Approach, The Malt Whisky File 3 Ed: The Connoisseurs Guide to Malt Whiskies and Their Distilleries, Unrealistic People Do Better Off: 7 Secrets of How to Success in Overseas (Japanese Edition), Bride Protector SEAL (Brotherhood Protector Series) (Volume 2), Sick in the Head: Conversations About Life and Comedy,
