

Moonlighting in Vermont is a fast paced mystery along the lines of the Stephanie Plum novels by Janet Evanovich or Agnes and the Hit Man by Jennifer Crusie and Bob Mayer. Bree MacGowan never considered herself Miss Marple material until the day she found her boss lying in a pool of blood and cold as a corpse. But when Lieutenant Miles Brooks decides she should be in jail, and movie star Gunnar Ericson decides she should be dead, Bree finds herself cast in an unexpected role: a cross between Miss Jane Marple and Miss Congeniality.
