

The art of mosaic has been around for centuries. This book brings the process into the present, as two accomplished designers invite readers to explore dramatic color combinations using a variety of materials. This is a rich collection of creative projects for both interiors and exteriors. It includes detailed instructions for working with broken crockery and tiles, and preparing items such as window frames and mirrors. The book offers stunning yet practical ideas -- from a fine mosaic vase and window surround to a mosaic garden terrace, table, and planter.-- Features 16 imaginative projects.-- Includes step-by-step instructions for projects and materials.-- Offers designers and crafters new ways to use color.
