And Willa Cather's lush descriptions of the rolling Nebraska grasslands interweave with the blossoming of a woman in the early days of the twentieth century in a novel that is an epic chronicle of America's past. My Antonia is one of those rare, highly prized works of great literature that not only enriches its readers but immerses them in a tale superbly told. The novel Cather herself considered her best, My Antonia is one of those rare, highly prized works of great literature that not only enriches its readers but immerses them in a tale superbly told.
