

My Masterpiece brings you 50 delightful illustrations to whisk you away from the world of busyness and stress and take you to that restful place where you can relax, unwind and have some fun. We provide the creative framework and you provide the artistic imagination, using your favorite coloring implements and colors to create your own "Masterpiece". Each illustration is on its own page so you won't experience bleed-through with colored pencils or gel pens. If you use markers, it is recommended that you place an additional piece of paper behind the illustration you are working on to help protect the next illustration. We hope you enjoy coloring these wonderful illustrations and creating your very own "My Masterpiece".
