

You can't find love. Love has to find you. 18 year old Magdalena Fuentes is lying naked next to her perfect lover when he tells her he is marrying someone else. It is soon clear her destiny lies with another man, even though she says she doesn't believe in fate. But fate doesn't care whether we believe in it or not... Havana, 1958. Magdalena Fuentes knows that Angel Macheda is the only man for her, even after he takes her virginity and then tells her he is engaged to someone else. She knows they are meant to be. So why can she not stop thinking about Reyes Garcia? From the moment I saw you, he says, I knew there would be no one else. From the moment I saw you, she tells him, I knew you were arrogant, conceited and rude. Magdalena is a girl who will not let sentiment stand between her and love. But as Fidel Castro's rebels tighten their grip around the city and she watches her family and her whole life come apart, she learns hard lessons about love and about life. Against the backdrop of the boleros and the gangsters, the music and the guns, Magdalena discovers just how dangerous love can be. In the tradition of Casablanca and Gone With the Wind, the story of Magdalena Fuentes and Reyes Garcia is a sprawling epic of passion and destiny, stretching across three decades and two continents.
