

This adorable reference introduces young readers to birds of all kinds: big and small, flyers and swimmers, colorful and plain. They'll find backyard favorites, such as robins and cardinals and be introduced to more unique species that inhabit rain forests and deserts around the world. Bird behaviors kids can relate to, including singing, dancing, building, swimming, and diving, reveal fascinating insights into the avian world. More than 100 colorful photos are paired with profiles of each bird, along with facts about the creatures' sizes, diets, homes, and more. This charming book will quickly become a favorite at storytime, bedtime, and any other time.
