

Have you ever wondered if someone was being less than totally honest with you? Now you can find out-and fight back. A renowned psychologist shows you how to stop the lies and uncover the truth in any situation. Dr. Liebermans easy-to-use tools let you determine, with uncanny accuracy, if you are being lied to. You will learn step by step how to analyze body language, facial expressions, word choice, and sentence structure to get at the real meaning behind the message. Based on new developments in hypnosis and psycholinguistics, this book also shows you how to influence anyone to tell the truth. David J. Lieberman is a nationally recognized leader in the field of human behavior. He has written extensively and is a sought-after speaker. His ground-breaking theories become especially user-friendly in an audio format. With Richard M. Davidsons deep and resonant voice, the colorful examples and engaging scenarios filling this book come to life.
