

Here in one Complete Collection are the Four Stories that complete the Obeying My Master Series, another wild and wicked story with a potent mix of romance and deep passion by Katelyn Skye. Rose Granger was never the prettiest girl in school, and it wasn't something that she had ever worried about. She was too busy worrying about being the best in the class. But several years after college is over and she has finished law school, she's starting a new job, only to discover her old nemesis is working there too. Darin Thomas always had everything handed to him on a silver platter - he oozes confidence and is insanely good looking which he has always used to his advantage. But now, he's got his piercing eyes set on Rose and has taken an interest in seducing her using his grace and charm. Will she allow her undeniable attraction to Darin to change her long held feelings towards him? This series is a contemporary romance featuring searing and graphic depictions of romantic activity.
