

The match-making papa bear is at it again! Scott Weston is tired of his fathers attempts to set him up. As the workaholic manager of a premiere resort, Scott doesnt have time to show a date around the island. But hes surprised to find that his most recent match is Mara, a beautiful, curvaceous artist who he just cant leave alone. Especially when he finds out she may be in danger. When Mara Frost accepts a free Caribbean vacation, all she wants is a two-week break from her lonely life in New York and the stalker who is trying to make her life hell. She isnt sure what to make of Scott Weston, the sexy, successful businessman assigned as her guide. He makes her feel safe for the first time in years, but she also knows that his job will always come first. But as things heat up on the island, Scott is realizing there is more to life than work, and Mara is realizing that sometimes you have to take a risk and trust someone to not let you down. But can the two work out their differences before Maras stalker catches up?
