

Award-winning author Stephen Bly weaves the tale of a pair of contemporary cowboys on a quest across the West. As a boy in Wyoming, Hap Bowman fell in love with a girl named Juanita. Ever since, he's experienced nothing but failure and misfortune. Laramie Majors--quiet, reserved, and patient to a fault--hasn't left Hap's side since they became rodeo partners right out of college. Now, after spending most of his adult life looking for Juanita, Hap wants to do one last big search that will take them all over the Southwest before he admits defeat. Together these two cowpokes find themselves reluctant heroes in a series of misadventures as they travel the West, all the while thinking that Hap's--or Laramie's--true love may be in the next town.
