

With the Nazis bombing London on a nightly basis, many families sent their children to the comparative safety of the countryside. When the Blitz ended, the families came for their kids, but no one ever came for Simon Thorn. His name appears on no evacuation list, and none of his belongings offer any clues to his origins. Now an adult, Simon is puzzled by an odd sense of familiarity when he walks down certain London streets. He remembers years of screaming nightmares that would terrify his bewildered foster parents. And he resolves to find out where he originally came from, even as everything he uncovers suggests that, really, he doesn't want to know.

And he resolves, once and for all, to find out where he originally came from even as everything he uncovers suggests that, really, he doesn't want to know. Having pretty well conquered the traditional British-mystery form (Death by Sheer Torture, etc.), Barnard now offers a different sort of. To black out something is to delete or obscure it. The verb can also be used to put something in complete darkness, either by blocking the light or disabling. The point in the night where you must decide to either stop drinking (back out) or drink past the point of remembering what happened (black out). I black out last night at jim's and came to at my house at noon. Blackout is the term used to describe when a person is so drunk that they wake up the next. Blacking out redirects here. For other uses, see Blackout. A drug-related blackout is a phenomenon caused by the intake of any substance or medication.
