

Christopher Pritchard has been looking forward to his best friends visit for weeks. He bids goodbye to his live-in girlfriend, Joni Wagner, and takes off with Lance Fitzgerald for a three-day fishing trip. Lance has been in love with Chris since their college days. Hiding the fact that hes bisexual wasnt easy during college, yet Lance had done it because he didnt want to lose Chris friendship. As night falls on the water and the beer flows freely, talk turns to sex. The talk turns into action the next morning when Chris awakes to find a naked and aroused Lance in his stateroom. Instead of ordering him out of the room, he invites Lance into his bed. Chris is sure Joni is his happily-ever-after, yet he cant deny the attraction he feels for Lance. He can accept his new feelings for Lance, or push him away and lose the best friend hes ever had. (Previously published as Capsized.)
