

This new series provides thorough, factual information about drugs specifically aimed at teenagers. The series aims to educate young people about a range of drugs by providing clear information that does not patronise, over-simplify or judge. The books include: - a realistic range of real-life case studies and experiences - detailed information on the effects of drug-taking on the individual and society - details of organisations who can provide support or provide more information

When You Lie About Your Age, the Terrorists Win: Reflections on Looking in the Mirror, Smithsonian Handbooks: Stars and Planets (Smithsonian Handbooks), Reactive Polymers (Macromolecular Symposia), The Questioning Miss Quinton (Mills & Boon Silhouette), Werewolves in Their Youth: Stories, Newtons Revised History of Ancient Kingdoms - A Complete Chronology, Live For Me (Blurred Lines Book 2), The Writing Systems of the World,
