Laura, feeling frustrated and misunderstood by her parents, spends most of her time researching the history of the places in which sheâ€™™s lived, divulging herself into the information of the ghosts that have filled her towns in the past. When Laura meets a boy her age with a similar history, she feels accepted and assured that this life she leads is one worth it. His compelling green eyes speak to her, and together they form a bond that is unperishable through life. Or death. Book Two: Memory Bites A young boy hovers near death in a hospital room, his overly doting mother at his side and a calming voice that he hears in the mist of his unconscious mind. He recovers and is visited by the mystery woman. The boy goes through some major life changes including being allowed to go to school like regular kids and getting in his first fight. And, as he grows closer to his strange friend more changes keep coming. The sickly boy grows to be a strong, handsome and successful doctor, full of unlimited promise. But, the only thing he can focus on is how he feels about the woman of his dreams. Like most young couples, they face obstacles to their happiness but how many of those other couples can include the fact that one of them is a very old, natural born vampire? Book Three: Memories Bite Harder Annalisaâ€™™s quiet but quite resolute refusal of his marriage proposal hung in the air. He tried to ask several questions, all of them meaning the same thing and choked on every word. Finally, tired of his wild, staring eyes and the sound of the panicked thud of his breaking heart, she just sighed and disappeared leaving the room infinitely colder in her absence. Book Four: Summer in Winter A chance meeting at a local cafe, Katy and Eli felt something new is awakened within them. Katy gave her number before they parted. It is said you can meet someone and feel like youâ€™™ve known him your whole life; for Katy and Eli, it had been as though no time had passed. When their engagement party ended in disaster, the young couple gave serious thought to elopement. This does not sit well with Katyâ€™™s overbearing mother, which only makes Katy more determined to run away and have the wedding of their dreams.
