

[\*Read by the authors - John G. Miller and Karen G. Miller] From the authors of the internationally bestselling QBQ! The Question behind the Question comes an inspiring new take on parenting. How often have you heard complaints like these? -Why dont my kids do what I say? -Who made the mess in here? -When will my teen make better choices? These are the kinds of questions parents ask that lead not only to complaining but to victim thinking, procrastination, and blaming. The solution: learn to parent the QBQ way - and bring personal accountability to life within our families. Based on the same concepts that have made John Millers signature work, QBQ: The Question behind the Question, an international bestseller over the last decade, Parenting the QBQ Way provides a tool called the QBQ - the question behind the question. This valuable tool will help every parent look behind questions such as, why wont my kids listen? or, when will they do what I ask? to find better ones - QBQs - like, what can I do differently? or, how can I improve as a parent? This simple but challenging concept turns the focus - and responsibility - back to parents and to what they can do to make a difference. With thoughtful commentary, observation, and advice and illustrated with the engaging and memorable anecdotes that are the hallmarks of John Millers previous books, Parenting the QBQ Way provides all moms and dads with the means and inspiration to be more effective parents - as well as teach their children how to practice their own brand of personal accountability - to create a happy, healthy family for a lifetime.
