

On the night of his 21st birthday, Alex doesn't get a present from his boyfriend Jeremy; he gets a code word. Alex knows that the code word allows Jeremy to use him in any way he wants. What Alex doesn't know is that Jeremy is going to take him to a night club for his birthday party, and all the guests know the code word, too...Adult readers only! This 8,000 word story contains explicit gay sex scenes. All characters are consenting adults. Excerpt: He couldn't believe Derek was here. They had never hooked up, though he'd caught Derek watching him once or twice while he was dancing. Alex had always been just a bit too intimidated to try anything. The guy was just so...big. And he was an ex-cop, which was both exciting and a little scary. Derek's dark eyes inspected him head to foot, missing nothing: the flush heating his cheeks, the white stripes on his chest, the half-empty glasses of champagne on the table, and the open bottle of lube. You been having a good party so far? Derek inquired, and Alex had to laugh. Oh yeah, Alex breathed. The best. So what did you bring me, big guy? Derek grinned, a flash of white against his dark skin. Brought you a present you're gonna love. But you'll have to unwrap it first. Think you can handle that?
