

Passive Income Box Set I Can Sell Creative Things Online: The Ultimate Beginner's Guide to Selling Things on Etsy Selling on Etsy has become a popular trend in the last few years. Many have been able to sell enough that they're able to make a living off of it. You can too, and this book will show you all the important aspects of selling on Etsy and why you should do it. This comprehensive guide will show you just how simple it is to sell on Etsy, along with various tips and tricks to really make your business stand out. Make your creative dream a reality with this helpful instructional book! The Step-by-Step E-Commerce Guide: Market Your Products, Boost Sales, & Grow Your Passive Income • Build a Website. Sell some stuff. • Right now, you've been thinking about this Internet-age recommendation, and you're wondering what it would take to do just that. If you know a little bit about how a web page can draw traffic, you are well on your way to success. But the whole E-commerce issue, it is daunting, and most don't even know the first thing about getting an internet shop set up, let alone how to make it profitable. If you want a resource to pay for itself, this book will show you the way. Included are the most basic steps, outlined, that will show you how to activate your passive income, provide your customers the way to buy your product on-line, and how to coordinate those sales and increase your profitability. Here is a preview of what you will learn from this book: • How to create a shopping cart • Learn to set up credit card links for fast financial back end operations. • How to build a Terms & Conditions page, and why you need it • How to build an order output mechanism for expedited shipping • The difference between Active and Passive Income • How to use Video to drive sales • Creating useful FIBs without telling any lies. • How to make money while you sleep. • And Much More Once you learn the initial steps to e-commerce, there will be no stopping you. It will not only make your everyday life better, it will make you better. Don't wait another minute. Learn how you can earn from your product and create sales results in your sleep. Make Amazon Work for You Using Amazon FBA: A Step-by-Step Guide to Make Thousands by Selling Your Own Products on Amazon FBA Selling has never become more profitable and easier to accomplish! Gone are the days when you have to manually print labels, stick them on your packages, store your products in your house or on an expensive warehouse and ship them one by one every time a sale is made. This is made possible by Amazon FBA. This book will tell you all about Amazon, FBA and other important information, skills and tools that you can use to start or improve your online business. Topics in this book will range from basic information about start-up businesses from product development, to sourcing and finally to the actual sales. Detailed information will also be given on how to open an FBA account and all the way to shipping your products to Amazon's fulfillment centers. Other topics also include promotions, management and do's and don'ts in the e-commerce industry.
