

I made a mistake - when I chose my freedom over him, I underestimated how far heâ€™d go to get revenge. But then he made a mistake â€“ he underestimated the power of a woman cornered. A fast-paced crime, suspense and mystery thriller (coupled with romance, murder and revenge!) that has that has more than 1500 five-star reviews. \*\*\*\*\* With some careful plotting and planning, Arena finds a way to outsmart and escape Tom, her wealthy, but controlling and abusive husband. Sheâ€™s finally free to be herself, cherishes her freedom and life is great. Eh, not quite. Tom, who is blind-sided by her move, recovers quickly and cuts off all financial assistance. With two small children (one a baby), he is certain that life will get so tough, she will have no choice but to return to him and their palatial home. But even with all the hardships she faces, Arena has absolutely no plans to return to her tyrant of a husband and fights to hold onto her freedom. When she meets a wonderful, generous man called Bear who adores her and her children, life gets easier. Unfortunately, sheâ€™s underestimated Tom. He is so livid at her determination, he plots to take away the freedom she fought so hard for. How? By engineering a way to send her to prison and get full custody of their two children. He will have the last word because â€he can. He succeeds to a degree. But Arena, with Bearâ€™s help fights back. Not only that, but she fights dirty. With master manipulator Tom, she believes that is the only way. The result is a gripping, suspense-filled thriller from Eve Rabi that has been downloaded more than 300 000 times! \*\*\*\*\*

Reviews: â€œIâ€™ve read this book four times.â€• This is a love story more than anything else and it was funny too! Excellent, held my attention, eager to find out what Arena would do next. Brilliant. Felt real. Wanted to know more. Revenge can be soooo sweet! Loved it! A cracking good read, has elements of a thriller, although it does contain some sweet romance. A great story, beautiful romance and funny! Wow. Rabi does it again. Fantastic but disturbing. One of the best books I have ever read! And it was a free book too! â€œBest contemporary romance Iâ€™ve ever read. One minute I was in tears, the next minute I was laughing out loud. I went on to download more books from this author.â€• â€œJust a few pages in and I was so hooked, I even considered sneaking it into the cinema whilst the kids were watching their film!â€• (This book was previously titled You Will Pay for Leaving Me) Warning: Strong language, sex scenes and violence.
