

Pediatre et maman, Meredith Webber Quand elle apprend quelle est enceinte, Genevieve est partagee entre la joie et linquietude. Meme si elle a toujours reve davoit un bebe, elle sait aussi que son metier de pediatre, quelle adore, est difficilement conciliable avec la vie dune mere celibataire. Dautant quelle ne peut attendre aucune aide de son amant dune nuit, qui, elle en est persuadee, na nullement lintention de devenir pere... La passion dun chirurgien, Kate Hardy Si tout le monde, a Penhally, se rejouit de larrivee prochaine du Dr Alexander, un brillant chirurgien venu exercer dans ce petit village de Cornouailles, Charlotte ne partage pas cet enthousiasme. Comment pourrait-elle travailler au quotidien sous les ordres de cet homme a la reputation de play-boy, en tous points semblable a celui qui, quelques annees auparavant, la seduited, puis lachement abandonnee ?
