

Poems, by Wilfred Owen - The Original Classic Edition Finally available, a high quality book of the original classic edition. This is a new and freshly published edition of this culturally important work, which is now, at last, again available to you. Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside: The author has left us his own fragmentary but impressive Foreword; this, and his Poems, can speak for him, backed by the authority of his experience as an infantry soldier, and sustained by nobility and originality of style. ... The discussion of his experiments in assonance and dissonance (of which Strange Meeting is the finest example) may be left to the professional critics of verse, the majority of whom will be more preoccupied with such technical details than with the profound humanity of the self-revelation manifested in such magnificent lines as those at the end of his Apologia pro Poemate Meo, and in that other poem which he named Greater Love. The importance of his contribution to the literature of the War cannot be decided by those who, like myself, both admired him as a poet and valued him as a friend... . In the last year of his life he attained a clear vision of what he needed to say, and these poems survive him as his true and splendid testament. ... I came out again in order to help these boys; directly, by leading them as well as an officer can; indirectly, by watching their sufferings that I may speak of them as well as a pleader can.

Evil Abounds: Bear Rising (Alpha Guardians Book 1), The Scottish Railway Strike, 1891: A History and Criticism (Classic Reprint), Cabot Wright vuelve a las andadas (Precursores) (Spanish Edition), Ekiji Vision vol16 Muroran and Chitose Line (Japanese Edition), Nathaniel Hawthorne and his wife: a biography Volume 2,
