

Lawman Jack Munroe didn't want to see the truth about his troubled little girl, especially when she was caught shoplifting in Katherine McKaslins Christian bookstore. Being a single father was hard on a mans faith and patience, and he didn't need the all-perfect Katherine telling him how to impose discipline. Yet, he began to see the positive effects Katherine had on his daughter and on him. Jack hadn't been looking for a relationship, but this strong and beautiful woman made him wonder if God wanted him to risk a second chance at love.
